Performance Rights will be Nil.

The vesting conditions which must be met to the satisfaction of the Board in order for the Options and Performance Rights to be exercised are:

- **First Performance Condition:** 50% of these Options and 50% of the Performance Rights are subject to the First Performance Condition being compound annual growth (CAGR) in funds under administration (FUA). For the performance period from 1 July 2017 to 30 June 2020, vesting is calibrated as follows –

- Zero vesting will occur if the CAGR in FUA was below a minimum level of 25.88% per annum (99.5% over three years);
- 50% vesting will occur if the CAGR in FUA reaches 29.58% per annum (117.6% over three years);
- 100% vesting will occur if the CAGR in FUA reaches 33.09% per annum (135.7% over three years) or more; and
- vesting between 25.88% and 33.09% per annum CAGR in FUA will be on a straight-line basis between these two levels.

- **Second Performance Condition:** 50% of these Options and 50% of the Performance Rights are subject to the Second Performance Condition being growth in absolute total shareholder return (ATSR).

Vesting is calculated as follows –

- 25% vesting will occur when a threshold vesting of 12.5% ATSR compounded annually is achieved;
- 100% vesting will occur when a threshold vesting of 17.5% ATSR compounded annually is achieved; and
- vesting between 12.5% and 17.5% ATSR will be on a straight-line basis between these two levels.

The determination of the ATSR thresholds will be based upon the 20 trading day VWAP for HUB24 shares immediately before 2 October 2017 (ie. \$7.09).

- **Employment:** The options and performance rights are subject to forfeiture on termination of the employee's employment. The Board can determine the circumstances in which the Options and Performance Rights will not be forfeited, for example, by reason of death or becoming (in the Board's view) totally and permanently disabled.

The FPO are issued on the same terms as existing issued FPO of HUB24 Limited. FPO are subject to sales restrictions of 12 months except to fund exercise cost or tax associated with the options.
