Direct Debit Request Service Agreement

This agreement sets out the terms on which you authorise us to arrange to debit your account at your financial institution.

1. You will need to complete this application form to contribute to your account in the Service via the regular savings plan or for requested one-off debits by you via your adviser.
2. By your Direct Debit Request, you authorise us to debit the nominated amount from your account at the financial institution written on this application form or advised by you or your adviser.
3. You can cancel your Direct Debit Request arrangement with us; however, this termination must be in writing. We require ten (10) business days to process your cancellation request.
4. The due date for each drawing will generally be the 20th of each month. If a due date for a debit falls on a weekend or public holiday, the debit will be processed on the following business day. Please contact your financial institution if you are uncertain when a debit will be processed to your account.
5. You must ensure that you have sufficient cleared funds available in the nominated account to meet each drawing on the due date.
6. If a drawing is unsuccessful, we reserve the right to attempt to redraw at such times as we determine. We and your financial institution may charge a fee where a drawing is unsuccessful. This fee may be debited from your nominated account with your financial institution or to your account in the Service.
7. If you have any questions about your Direct Debit Request, such as concerns about a debit that we made under it, or if you want to make any alteration to your arrangements, please contact your adviser, or the Operator.
We will reply to you within seven (7) business days. You should contact your adviser or the Operator in the first instance, rather than the financial institution with which you have an account.
8. We will also notify you in writing of the amount by which your account has been adjusted.
9. If we conclude as a result of our investigations that your account has not been incorrectly debited, we will respond to your query by providing you with reasons and any evidence for this finding.
10. We can vary this agreement at any time after giving you 14 days notice of the changes.
11. We will keep information about your financial institution account confidential in accordance with our privacy policy, including disclosure to direct debit financial institutions only to the extent necessary to resolve any claim you might make relating to a debit that you claim has been made incorrectly.
12. You should:
